

Pratik Indrajeet Sinha

Surat, Gujarat

9998340321 | mrsam992000@gmail.com | GitHub: <https://github.com/mebeast1>

Languages: Hindi, English, and Gujarati

Career Objective

Motivated and detail-oriented Frontend Developer with a strong foundation in React.js and modern UI frameworks. Dedicated to continuous learning and aiming to evolve into a Full Stack Developer capable of building scalable, production-grade web applications. Passionate about clean code, modern design, and delivering user-centric digital experiences.

Skills

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS

Backend: Node.js (Learning), Express.js (Learning)

Database: MongoDB (Learning)

Tools & Platforms: Git & GitHub, Visual Studio Code, Chrome DevTools, npm

Projects

1. To-Do-App

- Built with React.js and Tailwind CSS
- Create, update, and delete tasks with real-time UI interaction
- Implemented state management with React Hooks □ Clean and responsive design

Deployment link: <https://newportfoliopratik.netlify.app/>

GitHub: <https://github.com/mebeast1/ToDoList>

2. Portfolio Website

- Responsive personal portfolio made using React and Tailwind
- Includes About, Projects, Contact, and Resume section
- Smooth scroll, responsive grid layout, and animated elements

GitHub: <https://github.com/mebeast1/Pratik-Portfolio>

3. Employee Management System (In Progress)

- Modern dashboard-style web app using React.js and Tailwind
- Features: form validation (React Hook Form), photo upload, API-based department list, modal confirm before submit (in progress)
- Planning backend using Node.js & MongoDB (currently learning)
